

# ***Transforming Technology Education to Career Clusters***

**NEEDED:** Presenters for the June 15<sup>th</sup> -17<sup>th</sup> ATTE Summer Workshop to be held at Naaman Forest High School in Garland, Texas.

The workshop will have two days of intense training on the new CTE TEKS, along with one and one half hour or three hour hands-on sessions on how to implement them. In order for this to be a successful workshop, I am looking for teacher trainers to train on the TEKS and those of you who have already had the training to share your thoughts on how to implement them in the classroom. If you would be interested in helping out, please contact Don Kelly at [kelly\\_don@sbcglobal.net](mailto:kelly_don@sbcglobal.net). Besides helping your fellow teachers, as an extra bonus, you will not be asked to pay the registration fee. What a deal!!!
